Grant

Rivers, a 5-foot-11 forward, is the Rockets' tallest man. He heads up a list of starters that includes one junior, three sophomores and one freshman. There are no seniors on the team roster, and that makes the future bright for head coach Roy Grant.

"This is the best talent I've had in my three years here," noted Grant, who played ball under Sammy Fisher at Lexington and graduated from UT-Martin in 1978. "I'm really looking forward to the next two years because we'll have practically everybody back."

Clarksburg's record is 5-9, but Grant says the Rockets are capable of beating anyone in their district on a given night. Rivers is the only returning starter on the ball-club, and he plays wherever he is needed.
